

READER'S GUIDE TO THE DANE MADDOCK UNIVERSE AND BEYOND

CLASSIC ADVENTURE FOR THE MODERN READER!

The Dane Maddock Adventures by USA Today bestselling author David Wood brings the classic pulp-style adventure into a modern setting. Inspired by such varied works as the Dirk Pitt Adventures, Indiana Jones, Doc Savage, and The Rocketeer. Whether you grew up watching *In Search of...* or *Ancient Aliens*, there's something here for you. The books are accessible to all adult and young adult readers, with mild language and minimal sexual situations.

THE DANE MADDOCK ADVENTURES

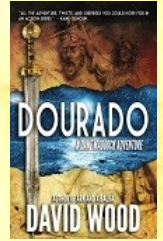

The Dane Maddock Adventures follow the exploits of former Navy SEALs turned treasure hunters, Dane Maddock and "Bones" Bonebrake as they travel around the world solving ancient mysteries, finding artifacts of great power, lost cities, and legendary treasures and creatures. Like an Indiana Jones movie, these stories will often include just a touch of the supernatural.

These books are written so that they may be read in any order, with little allusion to the other books, but if you'd like to read them in chronological order:

Series order: 1-Blue Descent 2-Dourado, 3-Cibola, 4-Quest, 5-Icefall, 6-Buccaneer, 7-Atlantis, 8-Ark, 9-Xibalba, 10-Loch, 11-Solomon Key, 12-Contest, 13- Serpent, 14- Eden Quest (forthcoming)

***Blue Descent was published as a prequel, but due to listing issues with certain retailers, the series has been re-numbered.**

Similar to: Indiana Jones, Clive Cussler, Ernest Dempsey, Jeremy Robinson, The Librarian, Doc Savage

DANE MADDOCK ORIGINS

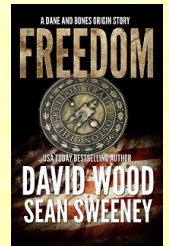

See how it all began!

This series follows Maddock and Bones during their days as Navy SEALs and through to their treasure hunting adventures. Unlike the main series adventures, these stories contain pseudoscience but no supernatural elements. (*These books were all written with co-authors .)

While these books can be read in any order, it is recommended that the reader begin by reading at least the first six books of the Dane Maddock Adventures series (through Atlantis) before reading the Origins or Universe series.

Series order: 1- Freedom, 2-Hell Ship, 3-Splashdown, 4-Dead Ice, 5-Liberty, 6-Electra, 7-Amber, 8-Justice, 9-Bloodstorm*, 10-Treasure of the Dead*

**Although the two were published in a different order, the events in Bloodstorm actually take place before Treasure of the Dead* Similar to: *Sigma Force, National Treasure, David Golemon, Nick Thacker, Andy McDermott*

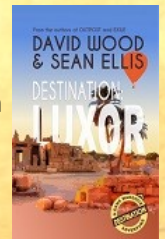

DANE MADDOCK UNIVERSE AND DESINATION: ADVENTURE

Adventures around the world!

These books may be read in any order, but it is recommended to read *Maug* before *Shasta*. Some contain supernatural elements, others do not.
